

Dear Friends,

Ludmila and I want to thank you for your faithful partnership in the evangelistic ministry God has called us to. We don't take your sacrifice for granted and pray regularly for you and your families.

### **Israel**

Thank you for praying for Ludmila's 4 week ministry trip to Israel which came to a close just as the conflict with Gaza began. The team was successful in spreading the gospel and even did some harvesting as four people confessed newfound faith in our Messiah, Jesus. Incidentally, two of the new converts were Russian speaking Jews with whom Ludmila spoke (one was an old friend of hers). So, once again, thank you for praying for this important ministry.

### **Germany**

Thank you also for praying for the fruitfulness of the ministry in Germany. Our latest evangelistic effort, which was at a public market, went well and we even ran

out of Bibles which has never happened before.

Our next evangelistic service is scheduled for October 5<sup>th</sup> where we are also planning a Baptism. Please pray for us and this event that God uses it to plant the gospel seed, and harvest souls for His Kingdom.

*Book-table with evangelistic literature and Bibles.*

The Lord is also doing a work in our church, building the unity and purifying us, preparing us as a church for more fruitful works of service in His Kingdom.

*Our church elders from left; Dieter, myself, Charly and Rudi.*

### **India**

Our partners in ministry, Paul and Marla Arrington are planning a visit to the Hope Worldwide Bible School in Nalgonda India next month and then we will have an up to date report of the progress of the school for you in our next prayer letter which is scheduled for November.

### **Ukraine**

For God's blessing on our friends from Ukraine who were forced to flee for their lives and are now in Austria as refugees; Andrey Puzynin, and his wife Oksana and their 3 children.

### **Christ in the Passover**

Two of the teen aged young men who attended our Christ in the Passover in Faenza, Italy have chosen to follow the Lord and will be getting baptized this month! Praise the Lord.
